Attn: Mr. Gary Knaack

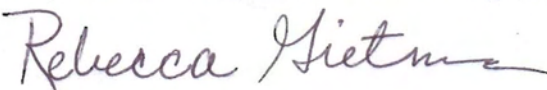

On behalf of Beyond the Boundaries at Joe's Lodge, Inc. (BTB) I would like to thank you and your organization for the cash donation of \$500.00 that we received recently.

BTB is an outdoor grassroots organization for disabled and physically challenged Sportspersons. Our organization consists of volunteers who provide a safe and comfortable headquarters for the many sportspersons who would not otherwise have the opportunity to deer hunt. We also provide for other outdoor activities which bring about a special camaraderie to our members. Typically, we have approximately 30 to 35 registered members that we provide a special deer hunt each year, sponsored through the DNR which takes place in October. It takes a lot of volunteers to provide for this 9 day event along with the other activities so most of our financial support and funding comes from our annual fund-raisers and donations such as yours. Our goal is to continue providing these outdoor activities to those that need help to do so.

Thank you for your generous support to our organization.

Respectfully Yours,

Beyond The Boundaries at Joe's Lodge, Inc.

Rebecca Gietman, Pres.
